

SEVEN (7) YEAR CRAFTSMANSHIP WARRANTY

Customer Name
1234 Oahu Drive, Honolulu, HI 96782
August 1st, 2015

All contracted work accomplished by Roofing Solutions Hawaii will be warranted, being limited to the area/s worked on by the company. This coverage is limited to craftsmanship. This warranty covers installation only and does not cover manufacturer defects. Areas of roofing worked on by the company which becomes damaged by acts of God, such as: hurricane, tropical storms/depressions, hail, high winds, tornadoes, flying or falling debris shall be covered under homeowner's insurance policy or manufacturer's warranty. Craftsmanship warranty is limited to the installation completed by Roofing Solutions and the integrity of that installation. If the roof was installed in a manner inconsistent with the manufacturer's recommended installation instructions and it causes the roof to prematurely fail then Roofing Solutions will cover costs to repair the area of failure including: materials, labor, insurance, debris removal. This warranty does not cover any defects on the roof which are caused by the property owner, its agents, employees, friends, or another company hired to do work on the project besides Roofing Solutions Hawaii.

This warranty shall be transferable from the current owner to any new buyer of the property in the event that the house is sold within the time frame of the original warranty. The term of this warranty is seven (7) years from the date listed above. All claims should be made in a timely fashion by calling Roofing Solutions and reporting the issue, upon which time we will schedule a time to inspect and determine the cause of the issue.
